Do you know how our scholarship program was named?

Mr. Flynn was the Principal of St. Charles School from 1998 to 2007. While he was the principal, he joined the credit union's Board of Directors for five years. But, one of the coolest things he did was to start a school banking program, called the Student Savers Program, which now has over **1,300 students who participate**. The James E. Flynn Memorial Scholarship Program is offered every single year, and students who belong to the credit union and go to a Catholic School can apply. The application can be found on our website.
